

ARIZONA

Jennifer Cunico

Acting Director

Arizona Department of Health Services

Jennie Cunico, Acting Director and Deputy Director of Planning and Operations, has been with ADHS since 2014. During this time, she has served as the Deputy Bureau Chief of Public Health Emergency Preparedness, Deputy Chief Human Resources Officer, and Chief Officer for Professional Development and Community Engagement. As Deputy Director of Planning and Operations, she oversees policy development, hiring professional and support staff, information technology, business intelligence, data management, workforce and professional development, community engagement and the department's budget.
